LEMD

Universal Aviation Spain - Madrid

As part of the consortium managing the GAT, we are well-suited to support your operations to Madrid and can provide you with access to our private lounges — an amenity not available to other handlers.

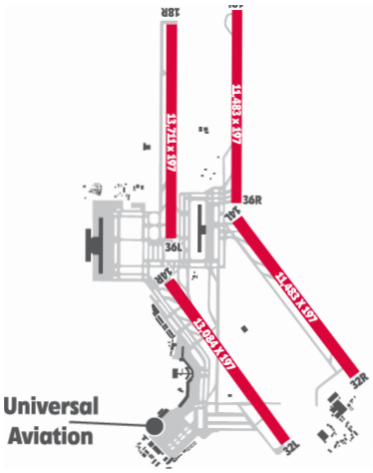
SOME GREAT REASONS TO CHOOSE US:


- On average, passengers and crew are in and out of the airport in 10 minutes. A Universal Aviation staff member will ensure a quick and smooth passage through customs and immigration.
- As part of the consortium that manages the airport's GAT, we have our own private lounges which you can freely use without paying a fee to the airport.
- We are the only handler with two (2) pushbacks, and we can also perform lav and water service (without third parties).
- Safety - We are the only handler that guarantees at least two (2) wing walkers while pushing back at the ramp.
- We can help coordinate multi-city itineraries and provide on-airport supervision at airports across Spain.
