

EGSS

Universal Aviation UK London - Stansted

We are an IS-BAH Stage II accredited ground handler at London-Stansted Airport, with a beautiful, modern FBO loaded with amenities. We're the only handler on the airport that can provide trip support and flight planning services.

LOCATION:

- Located north of London, Stansted International Airport is the closest 24/7 airport to London's financial district. It's less congested than Luton, and it has some of the best fuel prices in the London area.

SOME GREAT REASONS TO CHOOSE US:

- Our modern FBO includes separate departure and arrival lounges, crew lounge and business center, shower facilities, and meeting rooms.
- We are the only handler at Stansted that can provide trip support and flight planning services through our European Operations Centre.
- We're consistently voted one of the best FBOs in the world by Readers of Aviation International News. Our team has been delighting customers for more than 30 years.
