SOME GREAT REASONS TO CHOOSE US:

- Located only 8 km (30 minutes by car) to Dublin City Centre. On average, passengers from an international flight can be in and out of the airport within 10 minutes after landing. Based on a six-passenger maximum.
- We are the only FBO with a landside office which is available to our clients needing a conference room.
- We offer GPU, tug and tow bars to support the ground movements of all common GA aircraft types.
- Our private facility includes two lounges, WIFI and HDTVs, and a complimentary customer car park.
- We are the only ground handler at Dublin with 24/7 on-call phone support and the ability to send immediate movement messages and other confirmations directly to the operator.
