ARRIVAL PROCEDURES

PASSENGERS AND CREW ARRIVALS

PLATINUM SERVICES (GA TERMINAL)

Upon arrival, passengers will be greeted by a Universal Aviation staff member as they disembark their aircraft. Both passengers and crew will be transported from the aircraft to the Platinum Services building for CIQ processing. Everyone will need to have their passports on hand and ready to show them to the immigration officer. The process itself should take only a few minutes.

Universal is required to provide Irish Immigration and Customs with all passenger and crew details in advance of scheduled arrival to aid in a more efficient process. Customs officers are not always present for arriving passengers, but if they are, they may want to do a quick luggage check. After clearing immigration, all passengers and crew are then assisted to the entrance of the Platinum Service building, where their ground transport driver will meet them.

LUGGAGE

HANDLED BY ASSIGNED PORTERS

Porters will transport luggage from the aircraft to the Platinum Service building. Upon clearing immigration and customs, everyone's luggage will be transported and loaded onto their ground transport vehicles. Luggage is never left unattended for security purposes.

DISABILITIES

Universal can arrange a wheelchair if necessary. To avoid delays, please request a wheelchair prior to arrival. Depending on the passenger's mobility, they may be assisted and transported to the Platinum Service building in a Universal VIP vehicle.
