ARRIVAL PROCEDURES

PASSENGERS AND CREW ARRIVALS

EXECUTIVE TERMINAL

A Universal Aviation staff member will meet the crew and passengers upon arrival. A couple of Universal's Mercedes vans will be waiting to drive everyone to the Executive Terminal. On average, the drive time to the Executive Terminal from ramp 0 is 2 to 3 minutes and 5 to 7 minutes from ramp 1.

CIQ is located inside the Executive Terminal. Once everyone has cleared the CIQ process, they will be escorted to the Terminal's entrance, where ground transport will be waiting for them.

A Universal staff member will communicate with your driver to ensure everyone has a smooth ground transport pickup. Ground transport drivers may pick up crew and passengers at the entrance of the Terminal landside. On average, it can take approximately 20 minutes after landing to exit the airport.

LUGGAGE

HANDLED VIA A UNIVERSAL STAFF MEMBER

Upon clearance to deplane, luggage will be transferred from the aircraft to the Terminal. All luggage will be placed in the trunk of a Universal Aviation vehicle transport vehicle unless requested otherwise.

PARKING

RAMP 0 OR RAMP 1

Parking will be assigned 2hrs prior to your arrival. In most cases aircraft are assigned parking on ramp 0 or ramp 1 depending on availability. The aircraft will stay at same stand it arrives at, however, we suggest the brakes are left in the off position in case we need to reposition the aircraft.

PET ARRIVALS

DOGS, CATS, FERRETS, AND GECKOS ARE PERMITTED

To enter Spain with your pet, it must be at least 12 weeks and 21 days old. All pets will need to have a microchip or other approved type of identification on their bodies, a current rabies vaccine, a health inspection certified by an official veterinarian in your home country (with Spanish translation), and certified copies of the identification and vaccination documents. Review the [approved types of documentation](#) needed to enter Europe with a pet.

On rare occasions, you may be asked to write a declaration in which you will have to specify the purpose of your trip and indicate that your intent is to keep your pet with you and not to sell it. For additional information on traveling with [your pets, visit the EUROPA website](#).
