SOME GREAT REASONS TO CHOOSE US:

- Our team brings over 40 years of combined experience across Greek and European airports, ensuring smooth, reliable service for every mission.
- Supported by Universal Aviation's Athens Operations Center, we deliver efficient slot, permit, and trip management across all major Greek destinations.
- Thessaloniki offers quick turnarounds, minimal congestion, and 24-hour operations, making it an ideal alternative to Athens for repositioning, tech stops, or regional access.
