- We offer an attractive and comfortable facility, with a dedicated VIP lounge inside the FBO.
- We are the only handler with offices and lounges in both landside and airside, providing easy access for crew and passengers.
- Wide range of above-the-wing services – including permits and coordination for Italy, Croatia and Switzerland, in addition to the rest of the Mediterranean area – and below-the-wing ground handling services.
- Able to extend credit when coordinating services on your behalf across other airports in Italy and Croatia.
- Hangar parking and maintenance available upon request.
