ARRIVAL PROCEDURES

PASSENGER AND CREW ARRIVALS

Passenger Arrival

Upon arrival, our staff will meet and greet passengers as they disembark. Passengers will be transported by Executive Van to the terminal door and will have a short walk until outside of arrivals, on the way through the terminal they will pass immigration and customs 10 minutes since Aircraft until outside. Our staff will unload and transport all passenger's luggage and bags to the passenger's awaiting vehicle.

Crew Arrival

Upon arrival, our staff will be there to meet the crew and ask them if they require any services before leaving the airport. Crew will be transported on Executive Van to the terminal and will have a short walk until outside of Airport, to clear customs and immigration, 10 minutes from the Aircraft to leaving the terminal. Our staff will help Crew to unload, if requested, luggage and bags until Crew transport vehicle.

During the busy season in the Algarve APR to OCT, I would suggest that passengers try to schedule their arrivals and departures to after 1400 local time as the terminal gets very busy before these times

PASSENGERS WITH DISABILITIES

WHEELCHAIR AVAILABLE

A wheelchair is available upon request. A staff member will assist passengers with disabilities, but we cannot remove passengers from the aircraft that are not able to walk down the stairs assisted and Faro airport does not provide this service for General Aviation

LUGGAGE

HANDLED BY UNIVERSAL STAFF AND PORTERS

One of our staff member will handle your luggage and transport it in a vehicle. Customs officials may perform random scans of your luggage, beside our staff carries all passenger's luggage and bags, passengers should accompany all process as this is mandatory by Portuguese Authorities. Rest assured that your luggage is always kept secure. When it's time to leave the airport, a staff member will load your luggage into their ground transport vehicle.

AIRCRAFT PARKING

Our team coordinates directly with Airport Operations upon receiving the operator's formal handling request, advance notice of required parking is imperative to assure parking in high season.

DEPARTURE PROCEDURES

PASSENGERS AND CREW DEPARTURES

Universal Aviation staff will meet passengers and crew at the departures area. Passengers will be escorted through security, immigration, and customs, then transported via Executive Van to the aircraft, taking approximately 10 minutes from the transport vehicle to the aircraft. This process takes approximately 10 minutes from arrival at the airport for departure, the transport vehicle to the aircraft.

During the busy season in the Algarve APR to OCT, I would suggest that passengers try to schedule their arrivals and departures to after 1400 local time as the terminal gets very busy before these times.

Crew members will follow a similar process, typically within 5-10 minutes from vehicle to aircraft, with luggage assistance provided if needed.

PASSENGERS WITH DISABILITIES

WHEELCHAIR AVAILABLE

Assistance is available upon request for boarding and transportation to the aircraft.

Passengers need to be able to walk assisted by our staff up and down the stairs.

LUGGAGE

HANDLED VIA A UNIVERSAL STAFF MEMBER

Universal Aviation staff will securely handle luggage. Passengers will not accompany their luggage at departures, unless it's a specific item that is requested by the passengers, the luggage is taken by our staff to be loaded onto the aircraft.
