ARRIVAL PROCEDURES

PASSENGERS AND CREW ARRIVALS

IMMIGRATION AND CUSTOMS PROCESS

Upon arrival, a Universal Aviation staff member will greet passengers and crew as they disembark. Passengers and crew will have a short walk to the Main Terminal with the assistance of our staff. Our staff will transport all luggage and bags to the CIQ area for processing.

Inside the Main Terminal, a staff member will collect everyone's passports and present them to the customs and immigration officers. We will process all luggage through security and customs. After all passengers and crew members clear customs and immigration, a staff member will escort them to meet their ground transport vehicle at the landside entrance of the Main Terminal.

It can take up to 15 minutes to disembark the aircraft, pass through customs, and leave the airport in their ground transport vehicle. We will stay in contact with the driver to ensure passengers have a smooth pick-up.

WHEELCHAIR AVAILABLE

A staff member will assist passengers with disabilities in deplaning the aircraft. Request a wheelchair prior to arrival to avoid any delays.
