

MMTO

Universal Aviation Mexico - Toluca

Toluca is where business aviation comes to visit Mexico City. Our modern, full-service FBO has the largest hangar capacity for tenant and transient customer overnights on the airport, and our services are award-winning within our industry.

SOME GREAT REASONS TO CHOOSE US:

- On average, passengers and crew are in and out of the airport in 30 minutes. A Universal Aviation bilingual staff member will ensure a quick and smooth passage through customs and immigration.
- Our modern, full-service (16,385 sq.ft.) FBO has the largest storage capacity in Toluca, with five hangars and ample parking storage. We have three direct ramp access points from taxiways and 135,000 sq. ft. of ramp space.
- Total capacity to handle/service any aircraft size; up to B737, A320, and Embraer Lineage on our ramp.
- We provide enhanced security: a dedicated area for drivers and security guards, with 100+ security cameras.
- We can coordinate all your needs on the ground, including flight planning, catering, helicopter transfers, and ground transportation.
