SOME GREAT REASONS TO CHOOSE US:

- On average, passengers and crew are in and out of the airport in 20-30 minutes. A Universal Aviation staff member will ensure a quick and smooth passage through customs and immigration.
- As an IS-BAH Stage II accredited ground handler, we use three ground agents per operation, more than any other handler in Costa Rica, as operational safety is our top priority.
- To facilitate and expedite your operational needs, we have tow bars and heads required for most private jets.
- We can coordinate all your needs on the ground, including flight planning, catering, helicopter/yacht transfers, and ground transportation, so you can focus on enjoying Costa Rica.
- Experienced in managing all types of unique VIP requests as your comfort, privacy, and peace of mind are important to us.
