A Universal Aviation staff member will greet you on the ramp upon arrival. A staff member will pass out Arrival Cards to all passengers before disembarking the aircraft. Most of the details on the Arrival Card will be filled in by a staff member before the aircraft arrives. Passengers will need to sign their Arrival Cards upon arrival. All Gendec documents will be prepared by Universal prior to the flight's arrival.

After passengers disembark, they will be driven to the General Aviation Terminal (GAT) for CIQ processing in a Universal vehicle. Passengers must have their passports and Arrival Cards ready to show the CIQ officials. On average, the drive time from the aircraft to the GAT is 10 minutes. Access to the GAT is reserved 24 hours prior to the flight's arrival time by Universal.
