

RJTT

Universal Aviation Japan - Tokyo

Conveniently located in close proximity to downtown Tokyo, we can support nearly any aircraft – including large and cargo aircraft.

SOME GREAT REASONS TO CHOOSE US:

- You'll have access to a dedicated Business Jet Gate where on average, passengers and crew are in and out of the airport in 20 minutes after landing.
- We have the largest Lektro tug at RJTT and can offer tow-barless towing/push-back services for aircraft up to the size of a B737.
- Although slots and parking can be difficult to secure at RJTT, we are experts at helping our clients secure their best options.
- We have a dedicated transportation vendor (Mercedes Benz V-class) to provide rides to/from hotels for crew – only available to Universal Aviation.
- Our staff is fluent in Japanese, Cantonese, Mandarin, French, Italian, Spanish, Korean, and German.
