## SOME GREAT REASONS TO CHOOSE US:

- Manaus is the ideal stopover location for flights traveling between North and South America that need a tech, fuel, or customs stop before continuing their journey.
- We have a dedicated operations control center that is available 24/7. They are prepared to assist with flight planning, permits, and service coordination across Brazil.
- On average, passengers and crew are in and out of the airport in 30 minutes after landing.
- Our expert team can coordinate all your needs on the ground, including handling, ground transportation, catering, VIP requests, and more.
