SOME GREAT REASONS TO CHOOSE US:

- Our staff is available 24/7 and will ensure all ensure all your mission arrangements confirmed and reconfirmed for a smooth and successful operation.
- All arrivals and departures are supervised with at least three Universal team members – a manager, a supervisor, and a van driver – to ensure your visit is executed flawlessly.
- Due to the lack of FBO or GAT at SBKP, we will ensure the crew and passengers are always accompanied by our staff from the moment they land until they board their ground transport vehicle.
