SOME GREAT REASONS TO CHOOSE US:

- Khabarovsk is an ideal airport for stops on the route between Asia-Pacific and the U.S.
- We're available 24/7 to take care of last-minute needs that may arise, as well as all standard arrangements and coordination.
- Our highly-trained team is bilingual (English and Russian), trained to the highest safety standards, and adheres to global compliance regulations.
- We use direct contracts with airport authorities and local vendors, where possible, to ensure the best rates for our customers.
- We can facilitate security arrangements, access to VIP lounge, crew lounge, assist with customs, immigration, permits, catering, and more.
- We provide coordination and supervision services at airports across Russia including Moscow and Saint Petersburg.
