SOME GREAT REASONS TO CHOOSE US:

- With an average processing time of just 10-15 minutes for both international and domestic flights, we provide swift and seamless transitions, ensuring passengers and crew get in and out with minimal wait times.
- With dedicated staff and a network of locations across Turkish airports, we provide reliable and consistent service that meets Universal Aviation's high standards, ensuring seamless support for every mission.
- Unlike some other handlers, we have direct access to the ramp, even for short-notice missions, allowing us to PERSONALLY meet you on arrival and departure to oversee all aspects of your mission.
